Zebra's best-in-class Z Series printers just got better! The ZM400 includes additional productivity-enhancing features and modern, flexible network connectivity for easy system integration in most manufacturing, warehousing and business applications. This industrial/commercial workhorse also delivers efficient 4-inch-wide labelling thanks to its quick throughput and 10 inches-per-second print speed. RFID Ready and offering a multitude of options including 600-dpi (24 dots/mm) resolution, the ZM400 is upgradeable to grow with changing needs. Plus, design enhancements make this new-generation Z Series printer even easier to operate, load, and maintain.
